

Salina Central Mustang Boys Basketball Team Dinner Info

Participants: A sign-up sheet is sent around at the start of the season parent meeting. Those wanting to participate can sign up. Traditionally parents may sign up by class i.e. freshmen, sophomores, etc. However that is not a requirement. The last team dinner for the season is reserved for players on the sub state roster and those parents will provide that meal.

Location: The meals can be served at the CHS cafeteria, at someone's house, at a restaurant, or in a church meeting room.

What to Serve: The group can decide if parents will prepare the dinner or if it will be catered. There is no set requirement and the group as a whole should decide. Cost for the meal is shared amongst the parents that have signed up for that specific dinner.

If you plan to serve the meal at CHS please let the team parent contact know so that the AD can be notified that the facility will be used and confirm available space/time.
