

Salina Central Boys Basketball

We are going to relentlessly chase perfection, knowing full well we will not catch it, because nothing is perfect. But we are going to relentlessly chase it, because in the process we will catch excellence. I am not remotely interested in just being good. ~Vince Lombardi

Summer Basketball Plan

Below you will find out all the information about this year's summer basketball plan. We are looking to get as many people involved this summer to continue to keep the basketball program running at a high level. This year we will have junior varsity and varsity team competing in the various summer programs. We will have a freshman team if the numbers allow for it. If we don't have enough freshmen, they will work with the JV. This will give everyone the opportunity to play and work on their skills while also gaining an understanding of the expectations in our program.

Summer basketball **does not guarantee anything for the upcoming season.** However, if a player expects to be a part of the program during the season, the summer is an important time. Just as summer is an opportunity for players to work on their game, it is also an opportunity for coaches to evaluate the players. Placement on a team or position group is not permanent. Treat everything as a chance to get better.

If you are interested in participating in the summer basketball program please fill out the information below and **return it to the school by May 10th**. If you have any issues with payment please contact me directly at 785-548-6311 so we can see what we can do. I don't want cost to be a roadblock for any child to play.
